Christine McNelly

- Attended 2 day Shaping Policy for Health Workshop from DHPE
- Lead organizer for a 100 Year celebration and obesity summit in Conway with HHI, ADH and HWC. Worked extensively at participant recruitment and served as moderator for the event. An estimated 30 attendees participated including physicians, the county health commissioner, lead hospital diabetes dietitian, a cardiologist, pediatric therapy services, community soup kitchen owners, community service groups and many more. Details: The Faulkner County Healthy Weight Coalition hosted the event 'Cinch the Waistline, Change the World?' at the Faulkner County Library in conjunction with the statewide observance of 100 years of public health in Arkansas. The event included a showing of HBO's 'Weight of the Nation,' a panel discussion with public health leaders and Dr. Joe Bates, and healthy snacks provided by UCA Dietetic Interns.
- CHAC work groups-provided input on policy recommendations for physical activity
- Wrote short article re: eating disorder prevention week activities (was possibly printed in Log Cabin)
- My name was mentioned in 501 Life magazine as part of the children's wellness expo in Conway. Continued technical assistance to wellness workgroup of Conway elementary teachers re: the Lil'cats Conway Wellness expo, helped name the event (Wampus Cat Wellness Expo as opposed to PE health fair.) Shared best practices for health fair interactivity. Helped coordinate and plan event. Suggested safe routes to

school info and safety ideas for school crossing during fair time.

Connected teachers to HHI for possible use of HHI injury prevention funds. Contacted vendors to participate, including dietetic interns, FACS, dietetic students, Conway Advocates for Bicycling, rep from US Tennis Association in Arkansas.

- **Provided BMI and weight screenings at Center Valley (Russellville Elementary)**
